Panasonic
ideas for life

NA-127VB4

Fully automatic washing machine

- Energy Efficiency A+++ and 7 kg load capacity
- Hydro active: for efficient washing and energy saving; Special quick programme to save time
- Large Aperture : easy to load and unload the machine
- Auto load sensor : detects load amount and reduces water and power consumption if necessary.
- Foam sensor : detects when too much detergent has been added and dilutes it with water accordingly
- Security : Child lock and Two-layer door screen to protect little hands during hot washes

Fully automatic washing machine (Energy Efficiency Class A+++)

General Information

Body Colour	White
Ring Colour	Gun metalic
Load Capacity	7 kg
Spin Speed	1.200 rpm

Energy Efficiency

Energy Label	A+++
Energy Consumption	162 kWh
Energy consumption : standard 60 °C cotton programme / Full load	0.80 kWh
Energy consumption : standard 60 °C cotton programme / Half load	0.62 kWh
Energy consumption : standard 40 °C cotton programme / Half load	0.57 kWh
Spin Drying efficiency class	B

Water Consumption

Annual water consumption (EU label)	9.240 L / year
	45 L

Panasonic
ideas for life

Water consumption : standard 60 °C cotton programme / Full load	
Water consumption : standard 60 °C cotton programme / Half load	39 L
Water consumption : standard 40 °C cotton programme / Half load	39 L

Washing time

Programme time : standard 60 ° C cotton programme / Full load	03:20
Programme time : standard 60 ° C cotton programme / Half load	02:40
Programme time : standard 40 ° C cotton programme / Half load	02:40
Power Consumption : Off-mode / Left On-mode	<1.00W / <2.00W
Left-on mode duration	10 min / 30 min

Special Features

Wash Technology	Conventional
3D Acceleration Sensor	no
Foam Sensor	yes
Auto Load Sensor	yes
Balance Sensor	yes
Water Circulation Pump	yes
Drum Design	Conventional
Drum Capacity	50 L
Drum Size	487 mm
Display	LED
Remaining Time indicator	yes
Wide-Angle Water Supply Shower	yes
Time Delay	yes
No.of Shower Nozzle	2 shower nozzles

Programs

Standard Programs	8.0
Special programs	4.0
Spin Speed options	500 / 600 / 800 / 1000 / 1200
Temperature Options	Cold to 90°C depending on the programme
Number of programmes	12
15 °C Wash	yes
Bedding	yes
Rapid 15	yes

Panasonic
ideas for life

Quick	yes
Wool	yes
Easy-care	yes
Sportswear	yes
Shirts	yes
Colours	yes
Cotton	yes
Cotton-Eco	yes
Cotton + Prewash	yes

Program Options

Eco/Speed function	no
Intensive	no
Extra Rinse	yes
PreWash	no
EasyIroning	no
Buzzer at the end of the cycle	yes

Security

Water Leak Protection	Water level sensor
"Aquastop" System	no
Child Lock	yes
Alarm	no
Auto Power Off	no

Technical Data

Height	845
Width	597
Depth	527 mm (max. 547 mm incl. door)
Weight	73 kg
Motor	Conventional
Drum capacity	50 L
Noise level Washing	58
Noise Level Spinning	74
Drum Size(cm)	48,7 cm
Bull eye size (cm)	33 cm
